

Hello!

Thank you for considering a donation to School Supply Santa. Here are some facts about our organization:

\*This is our 12<sup>th</sup> year of collecting and gifting backpacks and supplies to local students

\*100% of donations are gathered from the local community and 100% of donations go to local schools.

\*In 2018 we served 34 school communities, grades K-12, and their teachers.

\*75% of the schools served have almost 75% of students on free or reduced lunches.

\* Teachers are provided \$50-\$100 per year to purchase classroom items. Most spend over \$1000 for classroom supplies.

Your sponsorship and financial support will enable us to provide essential tools and support classroom needs for students and teachers, and will also demonstrate your partnership to support education and learning in our local schools.

Here is feedback from teachers in our community who benefited from supplies in 2018:

*Our staff that went to the event were overwhelmed with the love that was poured out on them and our students. The rest of our staff was also blessed and extremely appreciative of the generosity of your organization and your sponsors. I can honestly say that the supplies gifted to us will impact every single one of our students here at WJH. That is over 900 students in 7th, 8th and 9th grades. I have already given out so many backpacks to students who did not have one and the smile on their faces when they get to pick out a brand new, teen sized backpack is priceless. I wish you and your sponsors could see every child's face in those moments. Michelle Potter - Wyoming Public Middle*

*What a blessing! We were in total AWE! Everyone was so friendly and willing to help. The organization was fantastic! Thank you so much for the supplies. We have about 380 students who will LOVE these items! We have put the bean bag chairs in our media center for all to enjoy :). I have already given out some backpacks and supplies...the expressions I received were totally priceless! Michelle Peterson Meadowlawn Elementary*
